Network & Influence

## Programme overview

# Peer-to-Peer Dialogue

Helping to achieve business, commercial and operational success through a global network of forward-thinking financial services leaders and industry peers.

The Misys Peer-to-Peer Dialogue programme provides a clear channel to facilitate interactions between you and your industry peers in many ways, designed to enhance your business and technological success.

The programme includes a range of conferences, visits, webinars, online events and market forums, designed to enhance communication for all Misys software users across the globe.

### *Conferences, visits*

- › One-to-one and multi-party phone conferences between Misys clients to exchange ideas and business best practices
- › Site visits to get to know each other personally, and understand the unique situations and resolutions.

### *Webinars, replayable presentations*

- › One-to-many webinars between Misys clients to confer on pressing, current business and related technology issues
- › Replayable presentations and webinars enable access to valuable learning resources at any time.

### *Misys Connect Regional Forums*

- › Gathering more than 1,000 delegates in Asia, Europe and America, including customers, partners, industry analysts and media, the Misys Connect Regional Forums are must-attend events for financial institution leaders and senior and line-of-business managers.
